**Do you need help or know of  
someone that needs help?**

Be the church a local outreach ministry is  
looking for opportunities to serve.

Project qualifications are for widowed,  
disabled, elderly, and military. We do every-  
thing from moving furniture, taking out trash,  
to complete tree jobs. There really isn't much  
that we won't at least try to do.

If you live in the Lawson or surrounding area  
and need help with a project at your home or  
would like more information, please call  
Mark Miller at (816)582-7065 Or email  
lawsonbethchurch@yahoo.com

*Be the Church is a multi-denominational  
group that ministers to the community  
through acts of kindness.*
